ABOUT THE INSTITUTION

Selvam College of Technology, established in the year of 2006, is nurtured by V. Ponnusamy Educational and Charitable Trust which is founded by Dr P.Selvaraj, chairman of the trust equipped with latest facilities and excellent infrastructures. The college offers under graduate programs (BE-CSE, EEE, ECE & Mech, B.Tech IT) and post graduate programmes (ME-CSE, MBA & MCA) in the discipline of the engineering and technology. The college is working with a team of highly qualified and experienced faculty members.

ABOUT THE DEPARTEMENT

The Department of INFORMATION TECHNOLOGY was established in 2006 and has marked the eminent place in the college. This course was formed with the basic objective of providing skill-based education in the field of Information Technology. Right from its inception, the department has been offering well built Infrastructure facilities with different Computer platforms to raising Professional Students to meet the incessant demands of the present IT industry.

The Department strives to produce eminent Professionals tuned to the real time working environment. To fulfill this objective, the Software, the Hardware and the Curriculum are updated regularly. The department offers a competent academic environment with a team of well qualified faculty members that ensures the students to excel in their technical exposure.

ABOUT THE WORKSHOP

This Workshop aims to provide an insight into the computerized solutions for integrating and automating the business process across companies back offices, such as financial logistics or human resource departments and also it provides the overview of the methodology, tools, resources, activities and tasks involved in the implementation of SAP solutions.
