

### **Registration fee:**

#### **For Indian Delegates:**

Students / Scholars	: Rs. 2000/-
Faculty Members	: Rs. 2500/-
Industry Delegates	: Rs. 3000/-

#### **For Foreign Delegates**

Students / Scholars	: \$ 75
Faculty Members	: \$ 100
Industry Delegates	: \$ 130

Fee is inclusive of Lunch, Tea & Snacks etc. Accommodation will be arranged within the town on payment basis. The demand draft, drawn in favour of **THE PRINCIPAL, QIS COLLEGE OF ENGINEERING AND TECHNOLOGY** payable at **ONGOLE, Andhra Pradesh, India**, must be sent to the address mentioned (Selected papers only).

### **Guidelines for the authors:**

- Paper must be in IEEE double column format
- Main text size must be 10 pts, Times New Roman
- Paper should not exceed 6 pages.
- Bonafide certificate and identity card from the principal is a must for student participant.

### **Call for papers:**

Research papers are invited for the conference. The authors are requested to send the papers through e-mail to: [qisiccsp2012@gmail.com](mailto:qisiccsp2012@gmail.com), [qisiccsp2012@yahoo.com](mailto:qisiccsp2012@yahoo.com)

### **Important dates:**

1. Submission of full paper through E-Mail : **Feb 6<sup>th</sup>, 2012**
2. Announcement of Acceptance of Papers : **Feb 20<sup>th</sup>, 2012**
3. Submission of Camera ready paper & DD : **Feb 28<sup>th</sup>, 2012**

## **International Conference on Communications and Signal Processing** (Sponsored by AICTE)

**About the Conference:**

Communication and signal processing have led to unprecedented increase in the number of engineering applications such as Industrial Automation, Computer Communications, Satellite Communications, and Vehicle Control etc. The conference focuses on the recent trends advancement and future trends in the areas of communications, signal processing, VLSI, wireless and mobile communications.

A major objective of the conference will be to pursue the progression from the theoretical aspects of innovative communication and signal processing techniques through the implementation, evaluation and performance enhancement of practical communication systems. It is also planned to be a forum for presenting research outcomes of topics ranging from those of physical layer to the application layer through all aspects of protocols and processes required to utilize the full potential offered by the current and emerging networking infrastructure. Apart from these, we expect papers dealing with data, audio, image and video processing for multimedia, biomedical and security applications.

**Themes covered in the conference:**

- ❖ Antennas
- ❖ Embedded Systems
- ❖ Data Communications
- ❖ VLSI
- ❖ Signal Processing / Voice Processing
- ❖ Image processing / Video Processing
- ❖ Wireless & Mobile Communications
- ❖ Neural networks & Fuzzy Logic Applications

Note: *These are suggested areas only papers are accepted in related areas also.*

**Who can Participate?**

- ❖ Faculty Members
- ❖ Research scholars
- ❖ PG students
- ❖ Industry personnel

### Conference Advisory Committee:

#### **Dr. K.Satya Prasad**

Professor, Dept of ECE,  
RECTOR, JNTUK, Kakinada,India.

#### **Dr. S.Srinivasa Kumar**

Professor, Dept of ECE,  
Director, R&D,  
JNTUK, Kakinada, India.

#### **Dr. K.Soundararajan**

Professor, Dept of ECE  
JNTU College of Engg. & Tech, Ananthapur, India.

#### **Dr. P.Vamsi Krishna**

Nokia, Finland.

#### **Dr. Shaik Rafi Ahmed**

Asst Professor, Dept of ECE,  
IIT Guwhathi.

#### **Dr. T. Jaya Chandra Prasad**

Principal, RGM CET, Nandyala,India.

#### **Dr. K. Sri Rama Krishna**

Professor, HOD, Department of ECE,  
VR Siddartha Engg College,  
Vijayawada, India.

#### **Dr. B.Chandra Mohan**

Professor, HOD, Department of ECE,  
Bapatla Engg College, Bapatla, India.

#### **Dr. D.Venkata Rao**

Principal, Paladugu Parvathi Devi Engg College,  
Vijayawada, India.

#### **Dr. Ch. Srinivasa Rao**

Principal,  
Sri Sai Aditya Institute of Science & Tech.,  
Surampalem(E.G.), India.

### Local Organising Committee:

Prof. I.Venu Gopal

Prof. Y.V. Bhasker Reddy

Mr.V.Jai Kumar

Mr. K. Ramanjaneyulu

Mr. M. Koteswara Rao

### **INSTITUTION PROFILE :**

QIS College of Engineering & Technology established in 1998, is a flag bearer of QIS Educational Institutions, which are sponsored by Sri Nidamanuri Educational Society. It is approved by All India Council for Technical Education (AICTE) and affiliated to JNTU, Kakinada. The college is accredited by NBA in the year 2009 for 4 courses viz: ECE, ME, EEE and CSE.

### **ABOUT ECE DEPARTMENT:**

The Department of ECE offers U.G and P.G courses with an intake of 180 and 36 students respectively. It has excellent infrastructural facilities and is well equipped with full fledged laboratories, audio-visual facilities, software tools such as Multi sim, Active HDL, MATLAB, and 6 Mbps Internet facility.

The main objective of the department, right from its inception, is to provide the best quality technical education at graduate and post graduate levels. In addition to it, the department also strives to encourage research and development, consultancy activities and consultancy interaction with industries for achieving academic excellence.

As we conducted successfully the first National Conference on Recent Trends in Communications and Signal Processing in March 2010, we planned to conduct the first International Conference on Communication and Signal Processing in April 2012. This International Conference is for faculty members, research scholars, industry personnel and PG students. We hope that there will be very good response for ICCSP-2012.

### **THE CONFERENCE AIMS AT:**

- Converging the ideas of experts and researchers in the thrust areas.
- Providing a platform for young teachers to improve their knowledge in recent trends in communication and signal processing.
- Appreciating the papers with practical work, originality and creative ideas.
